Notes:
1 Includes both serial ATA (SATA) ports and two IDE ports
2 Includes six channel audio
3 Includes eight channel audio
4 Includes PCI Express x1 slots
5 Includes PCI Express x16 slots
6 Includes FireWire Ports
7 Includes onboard RAID technology
8 Includes SLI technology for dual video cards
9 Includes S/PDIF digital out connector
10 Socket LGA1156
11 Includes PCI Express x8 Slots
12 Serial ATA ports
13 Includes PCI Express x4 Slots

intel NEW!

DG945FC Home Theater Motherboard

✔*HDMI*
✔*Eight channel audio*

Intel® Desktop Board D945FC is the perfect solution for the home theater DIY crowd. This innovative design removes redundancy and provides smarter solutions to this market segment with better cost and lower power consumption in a smaller µITX form factor. Perfect for home theater, internet facility, instant messaging, and voice over internet protocol (VoIP) applications. **Includes:** •D945FC motherboard with one PCI slot, one DDR2 memory socket, one IDE port, one HDMI 1.3 and one DVI, Blu-ray HDCP support, 8 channel audio and six USB 2.0 ports •LGA775 processor socket for Core2Duo or Core2Quad processors •Mini-ITX form factor (MATX compatible) •Dimensions: 6.75" x 6.75"

Order #	ONLY
83-11609	$159.00

intel

D945GCLF2 Motherboard

Intel® Desktop Board D945GCLF2 will change the way you use personal computers. This innovative design removes redundancy and provides smart solutions with better cost and lower power consumption in a smaller µITX form factor. Perfect for email access, internet facility, instant messaging, and Voice over Internet Protocol (VoIP) applications. **Includes:** •D945GCLF motherboard with PCI slot, single DDR2 memory socket, IDE port, AC'97 audio and six USB 2.0 ports •LGA775 processor socket for Core2Duo processors •Mini-ITX form factor (MATX compatible) •Dimensions: 6.75" x 6.75"

Order #	ONLY
83-11610	$99.99

COOLER MASTER

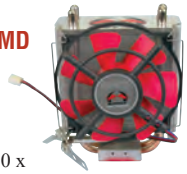
Deluxe Socket 7/FC-PGA CPU Fan

•For AMD K6/K6-2/Socket A, Intel Pentium 60~266MHz, Celeron 300~700MHz PPGA/FC-PGA, Pentium III 500~800 FC-PGA, Cyrix 6x86, 6x86MX and MII and IBM 6x86 processors •12VDC ball bearing fan •3 pin connector •10.5cfm •5400pm •Noise level: 33dB •High-ratio aluminum heat sink •Dimensions: 2"x 2" x 1.5" with heat sink

Order #	(1-9)	(10-up)
83-8371	$8.39	$6.49

EVERCOOL

Dual Heat Pipe AMD CPU Heatsink



•Type: Socket 754/939/940 •CPU support: AMD K8 •Material: Aluminum •Fan size: 100 x 100 x 25mm •Overall dimensions: 110 x 72 x 142.7mm •Mount type: Clip •Noise level: 23dBa max •Mfr. #HPFA-10025EA

Order #	(1-9)	(10-up)
83-11324	$16.99	$15.25

Arctic Silver

Arctic Silver® 5

Optimized for use between modern high-power CPUs and high performance heatsinks or water-cooling solutions. •Contains 99.9% pure silver •Silicone free •Not electrically conductive •Arctic Silver 5 will not separate, run, migrate, or bleed •RoHS compliant •Thermal conductance: >350,000W/m2°C (0.001" layer) •Extended temperature limits: Peak: -50°C~ >180°C, long-term: -50°C~130°C

Order #	Size	ONLY

Universal Super Bond Security Kit

Secures your PC and other office equipment by anchoring it with a heavy-duty steel cable and super bond plates. The three security plates bond with tough liquid super bond adhesive. Bond the plates to the devices to be secured and thread the cable to the plates. The cable is then secured by a padlock to a desk or other permanent fixture. **Kit contains:** 5' heavy duty steel cable, 40mm case hardened padlock, three super bond mini plates, and super bond adhesive.

Data Vac/3 ESD Vacuum Cleaner

The new DATAVAC/3ESD with HEPA filter is 99.97% effective in trapping particles of dust down to 0.3 microns. It keeps all your high tech equipment running smoother, longer. Unlike regular vacuums which redistribute the same dust, dirt and allergens back into the air, our HEPA filter-equipped environmental control system traps dirt and allergens into a tightly sealed filter bag. Static is the #1 enemy of sensitive electronic equipment. DataVac/3ESD is equipped with a unique anti-static wrist-strap grounding the user from generating static. DataVac/3ESD has a virtually indestructible all-steelbody featuring a 2-speed 1.7 peak horsepower motor. **Includes:** •3'~6' expandable stretch hose, crevice tool, dust brush and five extra triple layer 0.3 micron disposable bags •Heavy-duty carryng case and shoulder strap •Dimensions: 7" (W) x 17" (L) x 7" (D) •Weight: 21 lbs.

Null Modem Cables

These cables allow two DTE or DCE devices to communicate with no conflict in data transmission. The transmit and receive signals are crossed to ensure proper data flow. Each cable is designed with a rugged, over-molded construction that provides extra strain relief and a solid connection. Foil-shielded for protection against EMI/RFI interference caused by surrounding office equipment and florescent lights. Available in a wide variety of lengths and gender combinations.

Data Comm Connectors

Nintendo Type 72 Pin Connector

72 pin connector used in popular Nintendo NES games. Connector failure is a frequent source of repair problems in Nintendo games. Blinking or garbage found on screen is frequently a result of a bad connector. Our new version of this connector is redesigned to ensure a quality replacement connector.

Order #	(1-4)	(5-9)	(10-29)	(30-up)
83-3785	$10.99	$10.59	$8.89	$8.19

Port Saver Adapters

Save costly repairs to your computer's video, serial and parallel connectors by using this port saver device as a disposable adapter. When the adapter wears out due to continually plugging and unplugging your monitor, printer or other desktop peripherals from your PC, just replace the adapter and avoid mainboard connector damage and repair delays.

DVI Cables

MCM is your source for high-quality DVI cables and adapters. MCM offers a wide range of DVI and DFP cables featuring single and dual link DVI-I, DVI-D and DFP connectors. They are fully recognized by the Digital Display Working Group (DDWG) which means you are getting a quality tested cable gauranteed to provide optimal DVI video reproduction. They are ideal for connecting all your DVI equipment, including LCD panels, digital projectors, plasma screen and HDTV systems. All cables are beige and feature a limited lifetime warranty to be free from defects in materials and workmanship.

U.S. Robotics 56K Fax Modems

U.S. Robotics modems include the features and reliable connections you need for surfing the web, including the enhanced performance of the new feature-rich V.92 standard. In addition, U.S. Robotics exclusive line probing technology detects and avoids obstacles between your modem and your internet service provider (ISP), obstacles that slow down your connection. The modem tells your ISP's equipment how to avoid these obstacles, so you'll achieve the fastest possible connection. The included Installation Essentials CD-ROM comes complete with drivers, a suite of fax and communications software, and all of the tools you'll need to get up and online quickly and easily.

Hawking Technology 56Kbs V.92 Data/Fax PCI Modem

Get ready for the fastest and easiest dial-up connection ever! Hawking 56K modems come with the newest V.92 technology that enables you to receive a phone call while you are online. You will be assured to receive that important call when you are on-line. The V.44 new compression standard results in improved data throughput for faster download of internet data. Mfr. #HM92P.

TRENDnet USB Print Servers

TRENDnet's USB print servers are ideal network solutions designed to transform any conventional USB printer into a shared resource on your network. With its "Automatic IP" feature, the print server will automatically configure its IP address, making installation quick and easy. For advanced management, you can configure the print server using the Windows-Based Wizard, Admin Software or Web Browser. These print servers support Internet Printing Protocol, so users can print remotely to the USB printer via the internet. These print severs are the most cost effective way to add a USB printer anywhere on your network!

TRENDnet Dual Band 802.11n Wireless Network Products

✔*Gigabit Ethernet Ports*
✔*300Mbps transfer rate*

Dual band wireless 802.11n technology has all the features of the standard 802.11n protocol, but adds eleven additional wireless channels on the 5GHz band, reducing wireless interference and optimizing performance. Concurrent technology (#831-2409) utilizes the eleven additional wireless channels on the 5GHz band, but broadcasts them as a separate network, allowing you to use one band for browsing the internet, and the other band for streaming video or transferring files.

WiFi Plug-n-Play IP Camera

This indoor IP network camera features ultra-easy set-up for remote access through your business or home router. A unique "camera ID-number" comes with each camera allowing the set-up software to find the camera over any network from anywhere you have a Windows browser running (ActiveX support required). **Features:** •Wired or wireless connectivity •MPEG4 video compression •640 x 480 resolution •30fps frame rates •WEP and WPA security modes •This is the ideal IP camera for indoor surveillance and remote monitoring •Users can even set-up motion detection and receive snaps of video images over email.

Order #	ONLY
82-12935	$199.00

DEFENDER SECURITY Professional Wired IP Camera

Professional IP cameras are ideal for remote video surveillance from anywhere internet access is available. Ultra-high 540TVL resolution and MPEG-4 compression optimizes storage of motion, or scheduled recording, and the SD card slot facilitates video off-load in popular .avi format. Open a port on your router, and access the camera's video server from the home, or office. Lens and SD card not included. See MCMelectronics.com for more details.
Limited quantities.

RHINO PROFESSIONAL LABELING TOOLS HOW DO YOU SIGN YOUR WORK?™

Rhino 3000 Labeler

The fast, intuitive labeling printer designed for professional installers of residential computer, audio, video, security, and HVAC systems. The Rhino 3000 comes with an impact-resistant rubber bumper to survive a fall from your ladder or belt. We made it bright orange so it won't get lost in your truck. **Features:** •One touch "hot keys" flagging and fixed length labels, plus dedicated keys for common audio/video, electrical and safety symbols •Works with heavy duty Rhino labels up to ½" (12mm) wide **Includes:** Rhino 3000, one black and white ½" (9mm) wide flexible nylon tape and user manual **Requires:** •Six "AA" batteries not included

DYMO PC/Mac Label Printers

LabelWriter 400
Prints sharp text and high quality images on labels up to 2¼" (56mm) wide. These labels are ideal for envelopes and packages, files, binders, videos, name badges, CDs, internet postage and even more

LabelWriter 400 Turbo
Fastest label printer available at 55 labels per minute! Handles more than 40 standard label sizes up to 2¼" (56 mm) wide, including envelopes and packages, files, binders, videos, name badges, CDs, internet postage and even more

LabelWriter Twin Turbo
Imagine twice the features and twice the productivity! The LabelWriter Twin Turbo gives you exactly that. Designed for those who use a wide variety of labels, or those with large batch printing needs, this printer is perfect. Offering the fastest print speed in it's class and like all LabelWriter printers, it comes with add-ins, that let you print directly from Microsoft® Word, WordPerfect®, Outlook®, QuickBooks®, ACT!® and others with a click of a button. Prints labels up to 2¼" wide (56 mm) at a whopping one second per label, up to 1000 labels at once.

802.11G 54Mbps Wireless Networking Products

Wireless-G is the upcoming 54Mbps wireless networking standard that's almost five times faster than the widely deployed Wireless-B (802.11b) products found in homes, businesses, and public wireless hotspots around the country. Since they share the same 2.4GHz radio band, Wireless-G devices can also work with your existing 11Mbps Wireless-B equipment. •Set up a high-speed Wireless-G (802.11g) network in your home or office •Data rates up to 54Mbps, five times faster than Wireless-B (802.11b) •Also interoperates with Wireless-B networks (802.11b at 11Mbps) •Advanced wireless security with 128 bit WEP encryption and MAC filtering •Toll free technical support and two year limited warranty
